

SOUTHEND & DISTRICT NETBALL LEAGUE

NETTY NEWS

SEPTEMBER 2012

Welcome to the 2012/2013 season.

What a brilliant summer of sport. The London Olympic message was 'Inspire a Generation'. Our Southend League boasts at least 6 generations of players so hopefully we shall all be inspired this season starting with the Rally on Saturday.

Unfortunately TS7 (one of our new teams) has had to withdraw leaving only 8 teams in Div 3. Please amend your fixtures and don't forget to cancel your Umpire if you were due to play TS7.

England Netball Affiliations

There have been a few issues (understatement!) with the new registrations system. Hopefully these are all now sorted as your players must be affiliated for the Rally. Don't forget to send a copy of your England Netball affiliations to Jackie Lynch by 15th Oct. (Fineable offence!)

Keeping in touch.

I know I ask this every year but for the benefit of new teams please could I have a list of email addresses for your team as soon as possible please. We like to send an email copy of 'Netty News' to all league members (Players, Umpires, Coaches etc.) to ensure that important information reaches as many people as possible as post and emails can go astray.

Notices are also issued on Facebook and the website so keep an eye on these too and have your say.

See you Saturday,

Tricia
